Subject: intermediate school care 2024-2025

Dear parent(s) / guardian(s),

We keep the costs for the lunchtime care low partly because we collect the payments by direct debit. We also offer the choice to pay in one installment or in multiple installments. See the overview below for the corresponding amounts and installments.

If you choose to pay in installments, the total amount to be paid by you will be divided by the number of installments possible at that time. You will receive an email about this calculation.

Costs

	amount per school year
1 day stay over	€ 66,=
2 days	€ 132,=
3 days	€ 198,=
4 days	€ 264,=

Incidental stay over costs € 3,= per time. If your child occasionally stays over, you will receive an invoice in January and/or June.

Please fill out the back of this letter for each child separately and hand it in to the teacher.

We make sure that during the stay a member of our staff is present to eat with the children. The children also play outside, with the member of staff supervising. We ask you to provide a nutritious lunch, for example bread, wraps, etc. There are no facilities for heating food. When putting together your child's lunch, please think about how much he/she normally eats at home. Give your child something to drink as well, such as milk, water and lemonade, but no carbonated drinks. Cookies, sweets and chips are not part of a nutritious lunch, so we ask you not to bring them.
