### Daycare

#### **Summer holiday programme BSO**

The out-of-school care has finished making the summer holiday programme. The theme is "Backpack your crazy! Each week we will leave for a continent, with 1 country at the centre of each day. We have also arranged for Sport4kids to visit almost every week for sports activities, such as bubble football. All BSO parents

have received the programme via our parent app.

#### **Daycare in fairyland**

The daycare also started a new theme, 'Fairy tales', last week. They will be covering different types of fairy tales and carrying out activities in the coming period. They started with 'The Three Little Pigs'.

#### **Toddler playgroup**

The summer holidays are almost upon us and for the toddlers' playgroup that means the end of the school year is almost upon us. We are wrapping up the school year with the toddlers. We will end with "Snuf goes on holiday". The preschool will be closed from 10 July 2023 to 21 August 2023.

#### **Main entrance**

After the holidays, the day-care centre will again use the main entrance of RH 919. For both toddler playgroup, daycare and BSO Weidehommels, you can ring the bell here via the intercom. We will open the doors for you. More information on the use of the main entrance is available via the parent app.

## Education

### **Social Schools**

We migrated to the platform Social Schools a few weeks ago now. As you may have noticed, it works slightly

differently from SchouderCom. Some functionalities that were in SchouderCom are not or not yet in Social Schools. We have been informed by Social Schools that some updates are still to come. It is possible to communicate with other parents through conversations. This was a question we got from many parents. As parents, you decide whether you want to share your details with others.

This school year, Mr Peter joined us as caretaker. Unfortunately, he will be leaving us again at the end of this school year. He wants to broaden his horizons and also take a look at various other schools, possibly abroad. We would like to thank Mr Peter for the pleasant cooperation and wish him good luck and success.

### **End-of-year-celebration**

On Wednesday, 21st of June, we will have an end of year celebration with the whole school, starting at 12.00. Why a party? To celebrate...

### Honey for sale

Honey is on sale again from our bees.

A small jar costs 4.50 euros and a large jar costs 6.50 euros. One jar may be bought per family. This way, we give as many people as possible the chance to be able to buy honey.

### Major cleaning

It is time again for our big clean-up. On Friday 23 June, all kindergartners will receive a bag with toys to take home. Please clean these with your child over the weekend. It is mainly clothes from the doll corner and plastic material. You can put these items in a pillowcase/washing net in the washing machine, sometimes in the dishwasher or just with your child in a bucket of suds together, the inflatable pool in nice weather, etc. On Monday 26 June, we would like to have everything back clean and dry. On Thursday 22 June or Friday

23 June, please give your child a large shopping bag in which we can put the toys. Please put a name on the bag.

### Food cupboard

You may have already seen it, our food cupboard has been moved to the other side of the square. It is now by the main entrance with the opening facing the street. Hopefully, this will make the locker more accessible.

### Wanted: books for children aged 0-7 years

We are looking for books for children aged 0-7 for our mini library. Do you have books you no longer use and would like to get rid of? Put them in our mini-library and make many other children happy.

### Opening of library on RH and remediation of library on IB

After weeks of hard work by parents, teachers and DOK staff, the library at RH 917 was opened. Parents and children could have a look at the library and read a book. Peet Vermeulen festively opened the library. The library at the IB building was also cleaned up. New books have been purchased so that we can start making full use of this after the summer holidays.

### Judo

Over the past few weeks, the kindergarteners have had judo from Mr Lars Gouweleew. This is very good for children's development. They have learned to work together and take care of each other. Instructive and fun games have been played. Next school year, Mr Lars will teach judo again. We are already looking forward to it

Hello all!

Will you join 'Survival in the dunes' on Monday 17 July? This is an exciting expedition to the Dutch coast. In short, during the expedition you will explore in groups and learn what you need to survive. We do this in Nationaal Park de Hollandse Duinen. A super beautiful protected nature reserve along the coast of the Netherlands. Just maybe you will see a deer or a fox.

How can you participate?

You will be picked up with a bus from the parking lot of swimming pool Kerkpolder (Kerkpolderweg 1) and also brought back at this agreed location.
