Daycare

Playgroup

The playgroup is on holiday at the same time as the primary school. Monday, 22nd of August we are open again! We wish you a nice summer holiday!

Greetings Patricia, Jill and Daan

Daycare centre Sunny Summer

The daycare has created a fun summer holiday programme for the children called "A Sunny Summer". Every week they do fun activities within the theme.

Extracurricular childcare "Happy in my hammock"

The holiday programme for after-school care has also been released. The whole summer holiday the theme will be "Happy in my hammock". Each week there will be a different focus. Each week, various activities are organized that fit the focus. Week 1 is about Hawaii.

Education

School leavers

Another school year has passed and group 8 finished this year with a great musical.

These children will be leaving our school. We wish them lots of fun and success at their new school. Bye Chris, Tamara, Daniil, Matias, Yusuf, Natalie, Maraam, Noa, Phidani, Bianca, An, Ayaz, Eyse, Simone, Elisabeth, Tabitha, Ellie, Roos, Yusuf, Ecrin, Tim, Jamila, Yentley, Yvolinho, Israe, Valery, Nova, Robin, Muhammed-Emin, Timor, Sage, Abel, Mike, Elena, Jayden, Maxwell, Jarne, Tijis, Anouk, Shawn, Steijn, Sam.

A number of other children are also leaving our school. We also wish them lots of fun and success at their new schools, in their new homes, new hometown, etc. Bye Rechelle (group A), Mattia (group 5/6), Lorenzo (group 6), Simone (group 7/8), Ayman (group D) and Ely (group D), Diza (group 5), Rito (group 6), Khanh (group 7), Jorgito (group 6), Inigo (groep 6), Sanya (group 4).

Bye Miss Patricia

After one year of working and learning with us, Miss Patricia has finished her schooling. She has found a new challenge and will be working in group 3 at a SBO school. We wish Miss Patricia lots of success and happiness in her new job.

Minibieb

We have two mini-libraries. One is near the IB building and the other is near the RH buildings. These mini libraries are used frequently. By now they are a bit old and damaged and we find that we actually have too many books for these small library cabinets.

We are looking for someone who would like to make 2 new mini libraries for the school. Ideally, we would like them to be a little bigger than what we have now so that we can store more books in them.

If you are interested, please contact us by mail at y.kaijer@eglantierdelft.nl

Rabobank Club Support

Please note in the agenda if you are a Rabobank customer!

De Vrienden van De Eglantier Voorhof will participate in the Rabobank Club Support again this year.

From Monday, September 5, you can vote for us. The goal is: purchasing materials for the Moving Learning

at school. Think of the Beweegpot Energizer, the Beweegpot Buitenspelen and the Beweegpot Samenspelen.

How to get children moving easily and everywhere. Pots full of fun ideas for exercise games.

You will be voting for us, won't you?

A tasty ice cream

Last Tuesday, all the children received a yummy ice cream. This was a gift from the parent council for all the children and was made possible by the voluntary contribution. The children enjoyed it. On behalf of the children, thank you!

A big thank you to Mr Peter the gardener and Mr Herman

This year Mr Peter (the children call him Mr Peter the gardener) together with Mr Herman once again helped the children from group 2 and group 4 in the school gardens.

The children learned a lot, sowed, planted, harvested and weeded. Also, everything around the school looks tip top in order again. Mr Peter and Mr Herman keep everything neat and tidy. Thank you again and we hope you will join us again next school year.

Flat Stanley

The kindergarteners have been given a Flat Stanley letter to take home again. If you are going on vacation or doing something fun, take Flat Stanley with you and take a nice picture of it together with your child and give your child the picture and let them bring it to school. This way, we can see where you've been with Flat Stanley after the summer holiday.

Looking for....

For the first unit of the new school year, we are looking for someone who works at the fire brigade, police, ambulance, etc. If you work there or if you know someone who works there and would like to come to school to talk to the

children about these vital jobs and what they entail, please contact the kindergarten teachers.

Books in other languages wanted

If you are going on holiday and happen to see some books in your mother tongue or in the language of the country you are in, we would greatly appreciate it if you wanted to bring some back for school. We would like to expand our book collection with books in other languages. You can give them to miss Naji (the janitor) at the IB building.

Survey by the Delfland Water Board

Will you help spread the joy of play among children?

The children at our school spend a lot of time in the schoolyard. The Delfland Water Board is investigating to what extent playground enjoyment translates into playground enjoyment at home. Does our schoolyard inspire you to play in your garden or outdoor space at home too?

Complete the online questionnaire and you could win a gift.

Completing the questionnaire takes about 5 minutes. The questions concern both the enjoyment of children playing in the schoolyard and in the garden or outdoor space, and the characteristics of these play areas.

Click here to start the online questionnaire

Thank you very much in advance!

Summer Break

This was the last newsletter for this school year.

We are about to close another special school year in which we have experienced all kinds of things. We started the school year with the one and a half meter distance and mouth masks in the school. Not only for the teachers, but also for the students of groups 6, 7 and 8. That took some getting used to. Furthermore, we had to take self-tests twice a week, get tested at the GGD, etc. Fortunately, the measures were slowly phased out and we could return to a normal school life step by step.

This year we were able to do many fun and educational things again. For example, the drama evenings with parents in the school, the musical of group 8, the groups going on an outing again, the opening of our school-wide unit 'Vacation' with an international market, the opening of our party week on the square, the World Dance Day, the closing of the unit 'Vacation' in the classes, the viewing afternoon at the school garden, the portfolio discussions, the sporting activities with Mr Gijs during the holiday week (such as scooting, longboarding), the bouncy castle, the judo lessons with Mr Lars, the sportsday and many other things.

Now it's time to start a well-deserved holiday.

We would like to wish everyone a happy and relaxing holiday and we hope to see everyone back in good health in the new school year.
