Summer holidays for the Toddler Group

The summer holidays have arrived for all our toddlers too!

☀️ We wish everyone a wonderful, relaxing holiday full of fun, enjoyable outings and lovely memories.

We look forward to seeing all the toddlers again after the holidays on Monday 31 August.

For the toddlers who are moving on to primary school after the holidays, a very special adventure lies ahead. We wish you lots of fun, every success and, above all, many wonderful new experiences. We're proud of you and will certainly miss you!

After-school care news

We have some exciting news following the summer holidays! Our after-school care centre at RH is expanding. We are therefore delighted that Miss Melanie, who has previously worked with us on Fridays, is joining our after-school care team.

With this expansion, we're looking forward to even more enjoyable, educational and fun afternoons with the children. We'll be sharing more information about the expansion and exactly what it will mean very soon. So keep a close eye on the newsletter!

Education

School leavers

Another school year has come to an end, and Year 8 wrapped up the year with the fantastic musical: 'Meesterwerk'.

The 42 school leavers first performed for a few classes and their grandparents, and later for their parents. The final performance was a great success. We are going to miss these lovely children (many of whom have been here for 10 years) and we wish them every success and happiness at their new school. Do pop in again.

Goodbye, Zehra, Adriaan, Anna, Bhaavika, Züleyha, Hailey, Nathanja, Hayley, Matteo, Alex, Trisha, Owen, Tolga, Kiaan, Zeynep Sara, Buse, Antonia, Wadee, Nikki, Khalid, Acadia, Defne, Elizan, Eline, Meili, Ensar, Veerle, Anna, Avantika, Lotte, Jessie, Matteo, Diego, Maher, Bless, Jadaé, Alif, Shambhavi, Jari, Saar, Isabel, Kaitlyn

In addition, a number of children are moving away, to a different school, etc. Goodbye, Pamir, Leilani, Sef, Reshani, Reshvi, Rami, Aadhira, Olivia, Jair, Eli, Hedaya en Mars.

We also wish these children every success and happiness at their new school.

International Market

The international market was a huge success.

The weather was on our side, and the restaurant was very busy. Parents and children had prepared lots of tasty treats from different countries, which sold very well. The children played various games, and the barrel organ provided the musical entertainment.

We would therefore like to thank everyone for their contributions and for visiting this lovely market.

Gardening

As they do every year, the children in Year 2 (led by the Year 8 pupils) and the children in Year 4 have been gardening every week in their school garden next to

the school. Miss Evelien provided seeds, beans, lettuce, endive, etc. to plant every week. She taught the children how to sow and plant these, helped the children and kept the gardens tidy in between. As this is a big job, Miss Evelien was helped by a parent. She too joined in every week. The children really enjoyed visiting their little garden and learnt a great deal. On behalf of all of us, we would like to thank Miss Evelien and the parent volunteer warmly for their efforts over the past period.

Information about audiobooks and the online library from DOK

The summer holidays are coming up! We offer the perfect solution for long, boring car journeys, bored children, or a moment to yourself: with a (free children's) DOK library membership, you can borrow not only books but also audiobooks.

To do this, go to www.jeugdbibliotheek.nl and log in using your DOK membership details. Here you'll find audiobooks, as well as e-books and book recommendations. At the top of the page, select your child's age group.

Is your child starting secondary school next year? Then have a look at the section (reading at school/reading for the list) [Lezen voor de lijst | 12-15 jaar | Jeugdbibliotheek](#). Here's a tip for the coming school year or to get started during the summer holidays.

You can borrow audiobooks for 21 days, up to 10 at a time; you can renew them and listen to them without an internet connection (once downloaded).

If your child isn't yet a member of DOK, Delft's library, sign up for a free membership via this link: [word lid](#).

Extra tips!

Does your child struggle with reading? Then try Yoleo karaoke reading - the book is read aloud whilst you follow along in the e-book! Click [hier](#) for more information.

Need some inspiration when choosing a book? On 'De Waanzinnige Podcast', you'll get children's book recommendations from children themselves! Click [hier](#) for more information.

Ice cream party at school! 🍦

On Wednesday, the 8th of July, all the children at school were treated to a delicious ice cream, organised by the Parents' Council. They were able to make this happen thanks to the voluntary parental contribution. A cheerful ice cream van drove into the school playground and everyone was allowed to choose their

own ice cream. Naturally, allergies were carefully taken into account, so that every child could enjoy themselves without a care. The sun was shining brightly and the atmosphere was fantastic. What a lovely and tasty way to end the school year. On behalf of the children, thank you!

Gym shoes for nursery children

As you know, the nursery children's gym shoes were recently sent home. After the summer holidays, please ensure they have a good fit and are fitted with Velcro or elasticated fastenings (no laces), so that we can enjoy PE lessons in the new school year. Please make sure your child's name is written on them, so that we can keep them at school and recognise them.

Looking for library stars!

The main building houses a fantastic library which the children love to use. We are looking for parents who would like to volunteer in the library for one or more days. You will be expected to supervise a class whilst they swap their books and to put all the books back in their proper places once they have been returned. Book swapping takes place from 13:00 every day except Wednesday. Would you like to do this, or do you know someone who would be perfect for the job? If so, please send a message to Miss Anne Laarakker (Year 5/6 teacher).

Looking for New Parent Members for the MR!

Would you like to have a voice in the future of our school and contribute to important decisions? The Parent Participation Council (MR) is looking for enthusiastic parents to join our team and help create the best possible learning environment for all children.

No previous experience is needed—your interest, ideas, and involvement are what matter most. The MR meets several times a year, and the meeting dates can be found in the school calendar, so you can see when the meetings are scheduled.

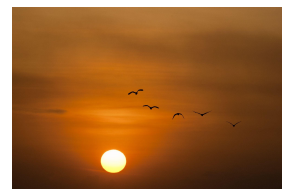

Interested or would you like to learn more? Please send a message to juf Annette, juf Anne, or Mrs Theodora. We'd be happy to answer your questions!

Looking Back on the School Year

What a wonderful and eventful school year it has been! As the Brugfunctionaris, I have truly enjoyed working together with students, parents, and colleagues. Together, we have supported families to help give every child the opportunity to grow and thrive.

Throughout this school year, I have had the pleasure of supporting parents with applications for the Jeugdfonds Sport & Cultuur, the Delftpas, and the School Meals Programme (Boodschappenkaart). We also organised coffee mornings, informed parents about various support services and opportunities, and many children enthusiastically took part in the Rijke Leerdag activities.

I would like to sincerely thank all parents for your trust, openness, and the many wonderful conversations we have shared throughout the school year. I wish you and your family a happy, relaxing, and sunny summer holiday. Enjoy your time together and make many beautiful memories!

Warm and sunny wishes,
Adyam

Sophie Heijkoop will take up the post of deputy headteacher after the summer holidays

From the 2026-2027 school year, the management team at IKC de Eglantier will consist of both a headteacher and a deputy headteacher. Following a selection process that took place before the holidays, Sophie Heijkoop has been chosen and appointed as deputy headteacher. As well as acting as a sounding board for headteacher Yvonne (and, for the time being, interim headteacher Marit), she will be the unifying force within our IKC. The deputy headteacher will lead staff and ensure that our educational vision (with a focus on EDI, IPC and bilingualism) is evident in the classroom every day.

Sophie will begin her school leadership training after the summer holidays. On Mondays, she will teach Year 3. On the other days, she will be on a rota. We wish Sophie every success in her new role.

Have a great summer holiday

After a school year full of educational and fun activities, it's almost time to recharge your batteries and enjoy the holidays. Just 4 school days left. We'd like to thank everyone for a wonderful school year, for your cooperation, and for all your help with the various activities and group outings.

We wish everyone a great summer holiday and look forward to seeing you all again at the start of the new school year on Monday 31 August.
