### A tasty ice cream

On Wednesday 28 June, all children were able to get a nice ice cream from the ice cream cart. The parents' council was able to arrange this from the voluntary parental contribution. The children enjoyed it.

On behalf of the children, thank you!

### 'Mr Peter the gardener' and Mr Herman thank you

Once again this year, Mr Peter (the children call him Mr Peter the Gardener), together with Mr Herman, worked with the children of group 2 and group 4 in the school gardens. The children learned a lot, sowing, planting, harvesting and weeding. Also, the gardens and greenery around the school look great. Mr Peter and Mr Herman keep everything tidy. Thank you again and we hope you will be back next school year.

### Carlos, Wido and Karen thanks

We would also like to thank a few more parents. Karen has been involved in the GMR of our school and Wido has contributed to "The Friends of The Eglantier" and helped to renovate our building RH 919. Their daughters are now leaving the school and so it is time to say goodbye.

We also want to thank Carlos. he has been treasurer (penningmeester) of the parent council for a long time. Now it is time to pass on the baton. Thank you all for your commitment!

**Hennie and Anita 40 years lunchtime teacher**  
 Last week Hennie and Anita were put in the spotlight. They have been volunteering at our school for 40 years. We hope they will stay for many more years and we would like to congratulate and thank them for their years of service.

**Thank you for all donations**

Various parents, guardians, grandparents and others donate money to the Friends of De Eglantier Voorhof Foundation. Several people also contribute good ideas for actions or contribute to the goals of the foundation in other ways. Thank you all very much for this. We continue to need this help!

Should you wish to donate to the foundation, you can do so financially via IBAN: NL92RABO0300583745 t.n.v. Stichting Vrienden van De Eglantier Voorhof. For donations in the form of ideas and other items, please contact Linde Ras or Yvonne den Haan via Social Schools.

### 'Haagjes' summer edition

A wonderfully long summer holiday is just around the corner.

Find out what's on in the region in the new edition of HAAGJES.

For example, you can usher in the summer with a visit to the Steam Festival at Stroomtrein Katwijk - Leiden on July 8 and 9. Visit the Mauritshuis with fun summer activities, go on a (free) OERR expedition in Tiengemeten or make your own puppet puppet Via the link below you can view the agenda:

### Summer holidays

This was the last newsletter for this school year.

We are about to conclude another school year in which we have experienced all kinds of things.

This year too, we were able to do many fun and educational things. Think about the school play evenings, the musical of group 8, the groups went on an outing with the bus again, the party afternoon with the raffle, the children's market, the

restaurant, the viewing afternoon at the school garden, the Anglia presentation, the portfolio discussions, Lars' judo lessons, the sports day and many other things.

Now it is time to start a well-deserved holiday.

We would therefore like to wish everyone a nice, relaxing holiday and we hope to see everyone healthy again in the new school year on Monday 21 August 2023.
