Parent Committee

On September 6, the parent committee met online. We had a full agenda after the summer holiday!

We looked back on the unit about 'summer holidays'. We liked the unit a lot, and the children were very enthusiastic. The work on the playground took longer than expected, but due to the disappointing weather the daycare was not affected.

We also talked about staffing: the application process for a new permanent employee is underway. Soon there will be a general meeting for all parent committees within Morgen about the rates. We went over the rate proposal. We also discussed the reports of the GGD: all groups have been evaluated positively.

Also on our agenda was the use of the front door for picking up and bringing the children! The use of the other door was another COVID measure. The fact that everyone now enters through the front door increases the safety for children and staff.

We contributed some points of improvement in the context of IKC formation: the communication around the theme night, the newsletters distributed at other times and the possibility of combining care with the activities offered by education. Finally, we looked ahead to the Day of the Pedagogical Assistant.

Would you like to join the discussion? Drop us a line at oceglantier@kinderopvang-morgen.nl. Our next meeting is November 23!

Education

European Day of Languages and Mother Tongue Reading.

Did you know that the Council of Europe has established Sept. 26 as the "European Day of Languages"; a day to celebrate Europe's linguistic diversity and promote language learning?

European Day of Languages
26 September

To mark this occasion, we are organizing "Mother Tongue Reading" on Wednesday, Sept. 27, for groups 1 through 4. "Mother Tongue Reading" involves children being read to in their home language, something that is very important for a child's language development. To organize this we need your help. Are you available on Wednesday, Sept. 27 from 11:15 to 11:45 a.m. to come read a story in your native language? You can sign up by putting your name on the sign-up list. You can find these at the building on Ina Boudier-Bakkerstraat and Roland Holstlaan. Or give it to the teacher of your son/daughter.

Reminder: Picking up children at RH 917 and RH 919

Please consider the following so that all children can be sent safely to their parents/caregivers, bso, babysitter, etc. At the RH buildings it is very busy during the collection of the children at 15.00. Cluttered situations arise, making it very difficult for teachers to oversee who has been collected and who has not. Please note that we cross in a line with the children and send the children to their parents in front of the flat opposite the school. We use the space in front of the

flat to stand with the children and their teachers so that we can send them to the parents from there. We therefore kindly ask you not to stand on the square in front of the school, not to sit on the coloured fences, nor to stand on the stretch in front of the flat. There are many parents here, sometimes even bicycles on the sidewalk. We cannot cross safely this way and it often results in us having to stop in the middle of the street because we cannot go any further. Hence, the stretch in front of the flat is meant for the teachers with the children. It can get very crowded with 6 classes and their teachers. You can wait further on the pavement and we will send your child to you. Make eye contact or wave briefly so that we both know we have seen each other before sending the children. Also, discuss with your child at home that he/she should say goodbye to the teacher first and go to the person picking him/her up only if the teacher has said it is OK. Everyone wants to be able to take his/her child back home safely and teachers want to send every child back to their parents/carers safely.

We trust that everyone is mindful of this.

Reminder: Vrienden van De Eglantier

Stichting Vrienden van De Eglantier was founded in 2014 by parents and teachers to support De Eglantier in realising projects that cannot be realised (completely) from the normal budget, but are considered of great importance for Culture and Nature education at our school.

If you are a Rabobank customer, you will soon be able to vote for our De Vrienden van De Eglantier again, starting September 4.

We say: DO IT!

Wanted

In the kindergarden groups we are looking for balls of wool to do crafts with. Do you still have balls of wool at home that you no longer use? You can hand it in to the nursery teachers.

In December, we will be working with wood. If you are currently doing odd jobs and have wood to spare, we would love to hear from you.

We also need help from handy parents who can do preparatory work at the end of November. For example, cutting the wood into small pieces.

Can you help? Please contact:

Miss Eveline : e.defijter@librijn.nl

Miss Els: e.harpmann@librijn.nl

Workweek group 8

Monday, September 18th is the day.

Group 8 will go on a workweek.

The preparations in the classroom are in full swing.

We will study the canon of the Netherlands, nature on the Veluwe and the life and work of Van Gogh.

It promises to be a fantastic week.

Coffee morning

As a parent, do you sometimes feel that you are the only one struggling with problems you encounter with your child (at school)? Or are you looking for some recognition from the experiences of other parents? Maybe the coffee mornings are the perfect opportunity to share experiences with other parents and educational professionals from our school. We

would like to invite you to the first coffee morning on Wednesday, Oct. 4.

Youth Fund Sport and Culture

Jeugdfonds Sport & Cultuur makes it possible for children and young people from families with less money to take part in football, music lessons, gymnastics, street dance, judo, theatre lessons or another sporting or creative activity. For those children and young people, we pay the contribution/tuition fees and in some cases the necessities such as football uniforms or dance shoes. The link to view the website - <https://jeugdfondssportencultuur.nl/>

Delft Sports Week

During Delft Sports Week (15 to 24 September), you can try a free sport at lots of associations, clubs and groups in your neighbourhood. This is great because it allows you to try something out without being tied to anything. The link to view the offer - <https://sportenindelft.nl/delftse-sportweek-2023/>

Wanted

We are looking for new TSO staff. We need help in the class at lunchtime, but also help for cleaning. If you would like to help with the between-school clubs or do you know somebody, please contact Miss Roshnie via Social Schools.

We are also again looking for someone to give the toilets an extra cleaning at lunchtime. You will receive a small fee for this. If you are interested, please contact Miss Roshnie via Social Schools.

Introductory course in music

This autumn, music society Caecilia will again offer an introductory music course. In 6 playful lessons of half an hour, children will be introduced to the basics of notation and get explanations about different wind and percussion instruments. They also get to try out the instruments themselves. The course concludes with a visit to a rehearsal of Caecilia's youth orchestra.

Age: children of group 4, 5 and 6

When: Wednesday afternoons, September 20 and October 4, 11 and 25, November 1 and 15

Time: 14.30 - 15.00 (with enough applications also 13.30)

Location: Notenschip, Schoolplein 4, Schipluiden (sufficient free parking available)

Cost: € 30

Registration: no later than September 17 via opleidingen@caeciliaschipluiden.nl

P. S. For younger children (group 3 and 4) we will start recorder lessons again in the autumn.
