Daycare

Welcome Maxime

Dear Parents/Guardians,

Let me introduce myself. My name is Maxime van Oel. I am 24 years old and live in Voorburg together with my parents, brother and my 2 dogs Pip and Saar. Some time ago I finished the training specialized

pedagogical employee. After my studies I started doing different things, such as other studies and I started working full time. I really missed working with children, which is why I took the step to change jobs. In my free time, I do a lot of fun things with girlfriends, such as going out for dinner, as well as a night out. Furthermore, I love taking my dogs for walks and visiting nice cities. I will be working at the BSO (Weidehommels) from October 13 and look forward to meeting you all.

See you soon!
Greetings,

Maxime van Oel

Outing Gnome Forest Daycare Center
On Tuesday, October 31, 2023, the daycare will go on an outing to The Gnome Forest. This fits perfectly with the theme we will be working on. We will go there in the morning and return to the location in the early afternoon.

Education

Wanted

We are looking for help to sew little bean bags.
Who can help us with this?
You can contact juf Els Harpman through Social Schools.

Sinterklaasjournaal

On Monday, November 13, the Sinterklaasjournaal starts on TV. We always watch this with the children from group 1 to group 4 the next day at school and follow the activities in the Sinterklaasjournaal. It is also fun to watch this in the evenings at home with your child and talk about it.

First Lego League

A number of grade 7 and 8 students are busy on Tuesday evenings at school with preparations for participation in the FLL which will take place in a few weeks. Students are introduced to STEAM (science, technology, engineering, art, math) and learn to apply their skills

apply their skills in an exciting challenge. Parents support the students with their assignments and performances. The region final is on Saturday, January 20, 2024 in Delft.

Crafting with wood

Around Christmas we will be working with wood. We already have volunteers who have signed up to cut pieces of wood. That is very nice. Of course, we can still use more help. Do you have leftover wood at home? You can give it to juf Eveline or juf Els. You can also contact them via Social Schools

Applications

If you already have one or more children at our school, please be quick to register siblings.

Our list with applications for children turning 4 before 1 October 2024 is already full. You can place your child on the waiting list. This means that your child can only be placed if a place becomes available. If your child was born on or after 1 October 2020, there is still room on the application list. You can send an email to directie@eglantierdelft.nl

Lice check

A few parents came in to check all children for head lice last week. We are very happy about this. This allows us to detect and treat lice early. If lice/ nits have been found in your child's hair, you have received a letter about this with information on how best to treat it. Classes in which head lice have been found will be checked again this week.

All children are preventively checked after every holiday.

Week van de Mediawijsheid

dinsdag
14 november
19.00 - 21.00 uur

onderdeel van
#week
vdmedia
wijsheid

avond voor
ouders/verzorgers

Is jouw kind veel online? En ben je nieuwsgierig hoe die digitale wereld werkt en hoe je het samen veilig houdt? Kom dan naar de gratis info-avond van DOK, de bibliotheek van Delft.

Samen met MediaCoach Ivo Wouters praten we deze avond over nepnieuws, influencers, online gedrag en meer. Aan hem kun je die avond ook al je vragen stellen over kinderen en het gebruik van sociale media.

Naar het aanmeldformulier ►

Vesteplein 100, Delft / tegenover de Pathé bioscoop

Deze avond wordt aangeboden door de Vindplaatsen, de schoolbibliotheken van DOK
