Family announcements

I have some exciting news! My husband and I are expecting a baby in March. My due date is on March 30, 2024. We are thrilled to be able to announce our future addition. This time we are expecting a boy. We are looking forward to it!

Kind regards,
Mrs Theodora

Daycare

Start intern toddler playgroup

Dear parents,

My name is Wassima and I am a fourth year student at the Pabo of Hogeschool Rotterdam. During this semester I will be doing an internship at the preschool as part of my minor Young Child Specialist.

During previous internships I have gained experience with different groups at an elementary school, but now I will focus specifically on toddlers. My attendance is scheduled on Mondays and Fridays.

Although the world of toddlers is new to me, I see it as a valuable opportunity to learn more about how young children develop. During my internship, I will perform various assignments to better understand that.

I sincerely look forward to spending time with your children and exploring, learning and having fun together. For conversations or questions, I am always available!

Kind regards,
Wassima

Start intern daycare

My name is Marit de Graaf and I am 16 years old. I attend the Albeda College in Vlaardingen. I am doing the training specialized pedagogical employee, level 4 and I am currently in year 1. I chose this course because I like working with children and my mother also works at a childcare center. I always helped there and when I had to choose what I wanted as my profession later on, I thought of childcare. My hobby is dancing, I dance at Dancin' Delft.

Photographer Friday, November 24 2023

On Friday, November 24, the school photographer will visit the preschool and daycare. Children may come by this morning to have their picture taken and take a group

photo together. Elementary school children who missed the photo may also have their picture taken this day. The school photos will be taken at 919 Roland Holstlaan.

Education

Week of Media Literacy

Last week was The Week of Media Literacy.

During this week, the children in groups 5 to 8 had a workshop by Sylvia Dijkshoorn. She has her own practice where she treats children and adults using emotion therapy. She also gives workshops and training sessions.

A message with more information about the workshops given at school has been

posted on Social Schools. The upper school also participated in the national MediaMasters competition.

During the national MediaMasters competition, pupils are challenged for five game days to help the protagonists in the game. To do this, they can complete MediaMissions in class and at home. These are questions and tasks about media literacy. The class that scores the most bits (points) can call itself the 'most media-wise class in the Netherlands' and wins great prizes. Afterwards, every pupil receives a MediaMasters certificate of participation. For more information, visit the MediaMasters website: www.mediamasters.nl.

Sinterklaas

Today the children got to leave their shoes out for Sinterklaas. That will be an exciting weekend. Will the shoe be filled on Monday (27 November) and have the Piets kept the classes tidy this time? We will see on Monday.

We want all the children to enter at the same time, so that every child can witness what happened. So please make sure your child is on time.

We will celebrate St Nicholas at school on Tuesday 5 December. This will be an exciting and fun day. How the day will go and at which building you should bring your child will be communicated later via Social Schools. Keep an eye on the messages.

School closes at noon on this day, with the children free in the afternoon. If you are not picking up your child yourself, please also inform the babysitter, BSO, grandparents, etc. who will pick up your child.

Sinterklaas booklet

There is a nice Sinterklaas booklet about the story of Sinterklaas.

Through the following link you can view it. The link refers to an English book, but it also exists in Dutch.

Christmas arrangements

Monday, December 18 and Tuesday, December 19, we will be making Christmas centrepieces with all the groups. Your child may bring decoration for this; if you bring a lot of stuff, your child may be able to share it with a classmate. Of course, we will also provide our own decorations. Do you have beautiful Christmas greenery in your garden and would you like to donate some branches to school? We are happy to receive them!

Christmas dinner

Please make a note in your diary: Thursday, 21st of December, the children will be free at 12 noon. Around 5pm, all pupils will return to school in their best party clothes to enjoy Christmas dinner together.

Everyone will bring something tasty, so the group will have a delicious Christmas buffet together.

You will receive more information about the Christmas dinner and other Christmas activities in a few weeks' time.
