Daycare

Celebrating holidays at daycare

Starting this year, the daycare centre pays extra attention to different types of holidays. For example, at the beginning of the year, we organised a New Year's reception for the parents. There were different types of activities organised for Valentine's Day for the nursery to the out-of-school care. Last week they celebrated Carnival at the BSO care. The next holidays are: Easter and Sugar Festival. For these we are busy preparing.

Spring break Spring fever

The spring break is over and we are looking back at a pleasant, fun holiday week. Every day we focused on one theme:

Monday: Dance and Music

Tuesday: Play & Scavenger Hunt

Wednesday: Creative

Thursday: Cooking

Friday: Sports

So on Monday we had a talent show, Thursday we made a three course meal and on Friday we had a morning gymnastics lesson.

Miss Jill and Mr Daan passed the playtest

At the playgroup we work with the VVE method Speelplezier. In May of last year, teacher Jill and Daan started their Speelplezier training. In the spring break they had their final interview. They both passed. Congratulations!!!

Filming March 14

On Tuesday, 14th of March, 2023 a film crew will visit our daycare. They will come to film a tour and take atmospheric pictures of our location. Parents will receive a consent form on which you can indicate whether or not you give permission for your child to be filmed.

Education

Coffee Morning

Dear parent(s)/guardians(s),

The coffee morning has been moved to Wednesday, 15th of March. The coffee morning on Wednesday, 8th of March will therefore be cancelled.

During this coffee morning, while enjoying a cup of coffee, we will talk to the community officer, Cees van Nus.

Cees is a familiar face in the Voorhof neighbourhood. He knows many residents, entrepreneurs and schools in the neighbourhood. Therefore, he also visits our school regularly. Thanks to all these contacts, he knows what is going on in the neighbourhood and can solve problems at an early stage, and preferably prevent them. By talking to residents, he looks for solutions. For instance, the community officer can refer people for assistance or to organisations. Together, we ensure the safety of the neighbourhood.

During the coffee morning, you will have the opportunity to get acquainted with the community officer and possibly have a conversation.
We hope to meet you (again) on Wednesday, 15th of March!

Location: RH building (Roland Holstlaan 919)
Target group: Parents of IKC De Eglantier
Date: Wednesday, 15th of March 2023

Migration Schoudercom to Social Schools

As you know, we use Schoudercom for written communication with parents, creating sign-up sheets for a parent teacher conference afternoon, creating a blog, etc. Schoudercom has been adopted by Social Schools. Effective April 3rd, the migration for our school from Schoudercom to Social Schools will take place. All accounts will continue to exist and will be taken over by Social Schools, but you will have to download the app from Social School. In SchouderCom you will still be able to log in for a while to read old messages, download pictures, etc., but otherwise no more actions will take place in this app. How long this will continue is unknown. When we have more information you will hear from us.

Railway museum

Groups 3, 3/4 and 4 went to the Railway museum on Thursday, 23rd of February.

The weeks before, we worked in class on the theme of transport.

For example, we learned that vehicles have changed a lot over the years.

At the Railway Museum, we looked at both new and old trains and did a scavenger hunt to learn even more about trains.

It was a fun, educational day!

Kangaroo Contest

This week, students in grades 3 through 8 participated in the preliminary round of the Kangaroo Competition.

The purpose of the Kangaroo Contest is to let children experience that maths is fun and challenging.

There were a lot of brainteasers again. (Even the grade 8 teacher frowned at some of the tasks).

Next week is the International Kangaroo Contest. You can read who participated in this competition in the next newsletter.

Library

For years we have been very proud of the beautiful library in our school. Every week the children enjoy coming to this fine place to pick out a new book or discuss the latest book trends.

In a while, the library will have a new layout. All books will be arranged by theme. To accomplish this, all the books have to be re-posted. This is a big job and we could very much use some extra hands. Do you have a few hours on Monday mornings in the coming period to help us? Please contact Kirsty den Dulk via Schoudercom.

Besides volunteers we are also looking for children's books written in other languages. Do you have any books at home in German, French, Chinese, Polish, Japanese, Turkish, etc.? And would you like to donate them to school? We are very happy to receive them! You can hand in the books to Kirsty den Dulk.

Discover the joy of making music together!

Have you always wanted to learn to play a wind or percussion instrument? Or does making music together seem wonderful to you? Then this is your chance!

Chr. Showorkesten Excelsior Delft organises Nieuw Talent Orkest Delft, a unique music project for adults. In ten rehearsals we will let you experience how great it is to make music together. The first rehearsal is on Sunday, 26th of March 2023, at 14:00 in Excelsior's clubhouse in Delft. This promises to be a special afternoon under the enthusiastic musical leadership of Guus Pieksma, initiator of this successful concept from Sneek.

To participate, you do not need to have musical experience or be able to read notes. Rehearsals last two hours and they fly by! Of course there is a break and importantly: fun comes first. We conclude the rehearsal period with a festive concert.

Will you join us?

We provide an instrument and lectern. Maybe you already know which instrument you want to play, otherwise you choose an instrument at the first rehearsal. You will also receive a complete orchestra folder. More than 1,500 New Talent Orchestra musicians preceded you and discovered a great new hobby!
